23.08.2025

Dear Ulugbek Salaev Ikramovich

Your papers, which you have sent to the Xth. International Computer Science and Engineering Conference organized by the Academic Informatics Foundation and Informatics Department Heads Board together with IEEE, have been accepted as an oral presentation at the conference as a result of a three-stage evaluation. We invite you to present your paper at IEEE-UBMK-2025 which will held in Istanbul Technical University – Istanbul Türkiye on 17-21 September 2025

Your paper will be published in the conference e-proceedings and, if IEEE publication requirements are met, in IEEE Explore.

Prof. Dr. Eşref ADALI
President of UBMK

Paper No and Title : [2624] A Feedforward Neural Model for Morphological Stemming of Uzbek Words
